Free NEET, JEE, SAT, GRE and MCAT-Advanced Foundation classes for students of 8,9 and 10 standard start on September 20.

Prof. P.C. Thomas classes and Chaithanya classes are among the earliest entrance coaching centres in India with scholarly experienced and committed faculty and marvellous, time-tested efficient system of coaching with proven record of results since 1960. A committed team of 88 teachers form its core intellectual power.

Live online interactive classes and instant doubt clearing sessions during live classes are unique to this institution. Now, a special facility for doubt clearance in Physics, Chemistry and Biology through live online interaction has been arranged for students getting prepared for NEET 2020. After

each online class there will be a session for clearing doubts. And to monitor progress, regular online sessions with parents have also been arranged. Students can access recordings of all past classes.

Regular tuition with entrance coaching for students currently in 11th and 12th classes and entrance coaching for repeaters are available.

This package includes coaching for NEET, JEE Main/KEAM & JEE Advanced and other professional courses.

Apart from this, 12 different courses each for NRI students at Chaithanya Global and for Non NRI students at Chaithanya classes are being held. Admissions to new batches for these courses are open now.

It is to be specially mentioned that these 24 courses are designed as live online interactive classes followed by instant doubt clearing sessions.

A lot of students of Chaithanya classes have acquired admission to professional colleges also in Tamilnadu in the past years. Admissions for special batches and hostel facilities continue.
